

Par 5 Socks

by Ingrid Hiddessen

www.strickpraxis.wordpress.com

I'm a passionate golfer and this pattern reminds me of a Par 5 hole with a long fairway and a small green. Hence the name Par 5 socks.

The pattern is easy, but nevertheless the result is stunning and also well suited for those new to cabling.

Material	100g Sock Yarn Collinette Jitterbug, 100g, 293m, 320 yards Set of double pointed needles 2.75mm
Ribbing	2k/2p
C3 over 3 left	slip 3st onto a cable needle and hold in front. Knit 3st, then knit the 3st from the cable needle.
Instructions:	Cast on 64st and join for working in the rd. Knit 7 rds in 2k/2p ribbing. After these 7 rds distribute the stitches so that a purl stitch is at the beginning and at the end of each needle. Continue to work the cables according to the chart, repeating rds 1-24, until the leg is the desired length. Work now your favourite heel. Note: the heel flap can be worked in 2k/2p ribbing. After finishing the heel the needles 2+3 hold the instep and are worked according to the chart. Needles 1+4 hold the sole stitches and are knit only. When the leg is the desired length work your favourite toe. Decrease evenly until 5st per needle remain. With a tapestry needle graft toe closed using Kitchener stitch.

Should you wish for a „show off effect”, cables can be crossed to the right on the 2nd sock

Size adjustment:

When using standard sock yarn (ca 200m/50g) and smaller needles one ore more pattern repeats can be added. 1 pattern repeat = 8st
